

AYAAN BHAWRA

STUDENT

PROFILE

B.Sc. Computer Science student with foundational knowledge in C++, Python, SQL, and R, along with exposure to Linux and Data Science tools such as JupyterLite and RStudio. Enthusiastic about software development, databases, and web applications. Seeking internship opportunities to apply technical skills, gain industry experience, and contribute to impactful projects.

WORK EXPERIENCE

• Intern – Think Monk (Teach Us Project)

Duration: 30 hours.

Completed a 30-hour internship at Think Monk as part of the Teach Us project, where I conducted surveys to gather user requirements and feedback. I participated in various team meetings and discussions to understand project goals and workflows, created and maintained comprehensive project documentation, and assisted in the design of the user interface (UI) for the application, with a focus on enhancing usability and clarity.
